Presentation by Reciprocal Interview _ Goals

- Get to know and make yourself known, starting the interpersonal relationship
- Show that no group member can go unnoticed
- Give a first idea of the personal values of the participating members

Presentation by Reciprocal Interview _ How?

1 st Time: choose a colleague from among unknown people.

2 nd Half: interview the colleague for 7 min to get to know him better in 5 aspects (taking notes):

- what is your nationality and what country do you live in?
- your school/academic life?
- your personal life?
- your tastes and leisure?
- what you most appreciate in your country's culture?

Presentation by Reciprocal Interview _ How?

3 rd Time: reverse roles: what was being interviewed becomes the interviewee.

4th Time: prepare the presentation to the plenary.
